2 February 2023

Subject: Notification on resumption of production (4 lines operations out of total 5 production lines)

To: President, The Stock Exchange of Thailand

Ref: The letter dated 5 August 2022 and 9 September 2022 regarding reduction of production lines

Thai Rayon Public Company Limited ("the Company") has earlier informed the Stock Exchange of Thailand vide letters about stoppage of production on 3 lines.

The Company is pleased to inform that due to the improvement in market conditions and demand of viscose staple fiber (VSF), the Company will resume production on 2 production lines gradually over next one week of February 2023 with production of modal on one line and textile/non-woven on the other line.

With this resumption on 4 production lines out of total 5 production lines, the Company will be operating at about 78% of its capacity. The Company, however, continues to closely monitor the situation and will adjust the production based on the prevailing market conditions.

Please be informed accordingly.

Yours faithfully,
