Subject: Report on the progress of the securities marked “CF” Sign via Public Presentation

To: The President, The Stock Exchange of Thailand

In accordance with the regulation of the Stock Exchange of Thailand (SET) that requires listed companies with insufficient distribution of minority shareholding (Free Float) to submit the progress report on free float to comply with the Notification of the Board of Governors of the Stock Exchange of Thailand Re: Maintaining of Listed Company Status (No. 4) B.E.2550 (2007), Thai Rayon Public Co., Ltd. (“the Company”) is aware that the proportion of minor shareholders (Free Float) falls short of the SET’s regulations to 7.44%. Consequently, the CF sign was posted on the Company’s securities on 3 September 2024 and the Company is responsible for convening a public meeting and disseminate information on efforts for maintaining the distribution of required shareholdings, by way of Public Presentation.

The Company would like to inform that the Company is aware of the SET’s regulations in such matters. Accordingly, the first public presentation was done on 16 September 2024. The Company also informed the SET that the Company is in touch with the large shareholders for their consideration towards compliance of SET regulations. The Company will inform the SET for further information, if there is any progress.

Please be informed accordingly.

Yours faithfully,

x
